

**TRAIL-TO-FIRST CLASS PROGRAM PLAN FOR YEAR: \_\_\_\_\_, SPL TROOP 110**

As a member of the Troop Leadership, you have a Goal of helping other Scouts earn Requirements to advance to First Class. You will not only improve your own skills by teaching others, you will also be rewarded with Hands-On experience in Leadership. Plan to add 2-3 Requirement Goals to each Troop Meeting, Camping Trip and Outing that will be relevant to corresponding agenda. Select varying levels of Requirements to ensure all Scouts have an opportunity to participate in a skill they are capable of achieving. Update this yearly plan as items change and are refined.
