- Provide Training Certificate to Maria Peralta at mariazamoraperalta@hotmail.com

Position specific Training YES NO

- Provide Training Certificate to Maria Peralta at mariazamoraperalta@hotmail.com

Scout Bucks from your previous Troop:

Scout Bucks can be transferred from old Packs/Troops and can be applied to future campout fees, scouting activities, and future Registration Fees, but are not available for this Registration. Please alert Blake Stilwill and Maria Peralta that you have Scout Bucks at your previous BSA Organization to begin the transfer; otherwise it may be forgotten and never applied. Both Scouts and Adults may begin to earn additional Scout Bucks through Community Service and Popcorn Sales while active with Troop 110.

Uniform & Handbook:

Please provide your scout with a BSA Handbook where they may record important Rank Advancements that can begin directly after Registration. Troop 110 also requires scouts to wear green pants and the BSA beige uniform shirt. As a convenience to our families, we have a great hand-me-down program where scout families turn in outgrown uniforms and camping wear for all scouts to select from free. The 'bin' is usually brought to meetings in Spring and Fall. When your scout has outgrown something useful, please add it to the 'bin' to keep this successful program going.
