

## Troop 110 For Scouts Joining in Fall 2016

Form and Payment Due 10/25/2016  
Will be collected at OLS Meeting

### Traditions/Accessories:

Troop 110 has a tradition of Hand Branded Leather Belts & Leather Neckerchief Slides. They are branded with the T-110 logo, and additional brands from various camps scouts attend through the year. Scouts that have been in the troop for years acquire many brands that fill the belt. We provide these items at cost to families who choose to purchase them.

In the Spring Crossover season, we provide the following accessory items as a complete set known as our 'Welcome Kit' for \$55. A prorated Troop Dues is included in that fee as well. These accessory items are not included in the Fall Registration of \$165 since few scouts need them at that time. Since scouts entering in the Fall coinciding with Troop wide Yearly Registration, you can choose to purchase the Welcome Kit for \$35, or on a per-item basis, or not at all. Use this form to indicate your itemized purchases.

The fees due by 10/25/16 would be \$165 + any of the following items:
