select **Dashboard**

The screenshot shows the 'myScouting' News section. At the top, there is a 'Menu' button and a user greeting 'Welcome Alexander Smith'. The main content area features three news items:

- New Exportable YPT Reports** (National 06/23/2017): A notice that Youth Protection Training reports are now available in .csv format, allowing for export and filtering. It includes a link to clear the browser cache.
- Maintenance-BSA Learn Center** (National 06/23/2017): A notice about scheduled maintenance on the BSA Learn Center (leader training site) on Friday, June 30, 2017, from 9:00 PM to 6:00 AM Central time.
- Tour and Activity Plan Terminated** (National 04/01/2017): A notice regarding a terminated tour and activity plan.

On the right side, there are two promotional banners: 'New to Scouting? Click Here To Take Training' with a circular logo, and 'BSA LEARN CENTER CLICK HERE TO ACCESS POSITION SPECIFIC TRAINING' with a photo of people.

In **Dashboard** screen,  
click the dropdown →  
menu for **My Training**  
and select **My Profile**

This screenshot shows the 'My Dashboard' page with the 'My Training' dropdown menu open. The menu options include 'My Youth Protection Training', which is highlighted. Below the menu, there is a section for 'My Youth Protection Training' with a sub-header and a brief description: 'Select one of the Youth Protection Training service with youth begins. To take other E tab.'

The printable BSA  
card is located under  
Gender and is a icon,  
click on it and your  
membership card will  
load
